EurEau - European Federation of National Associations of Water Services

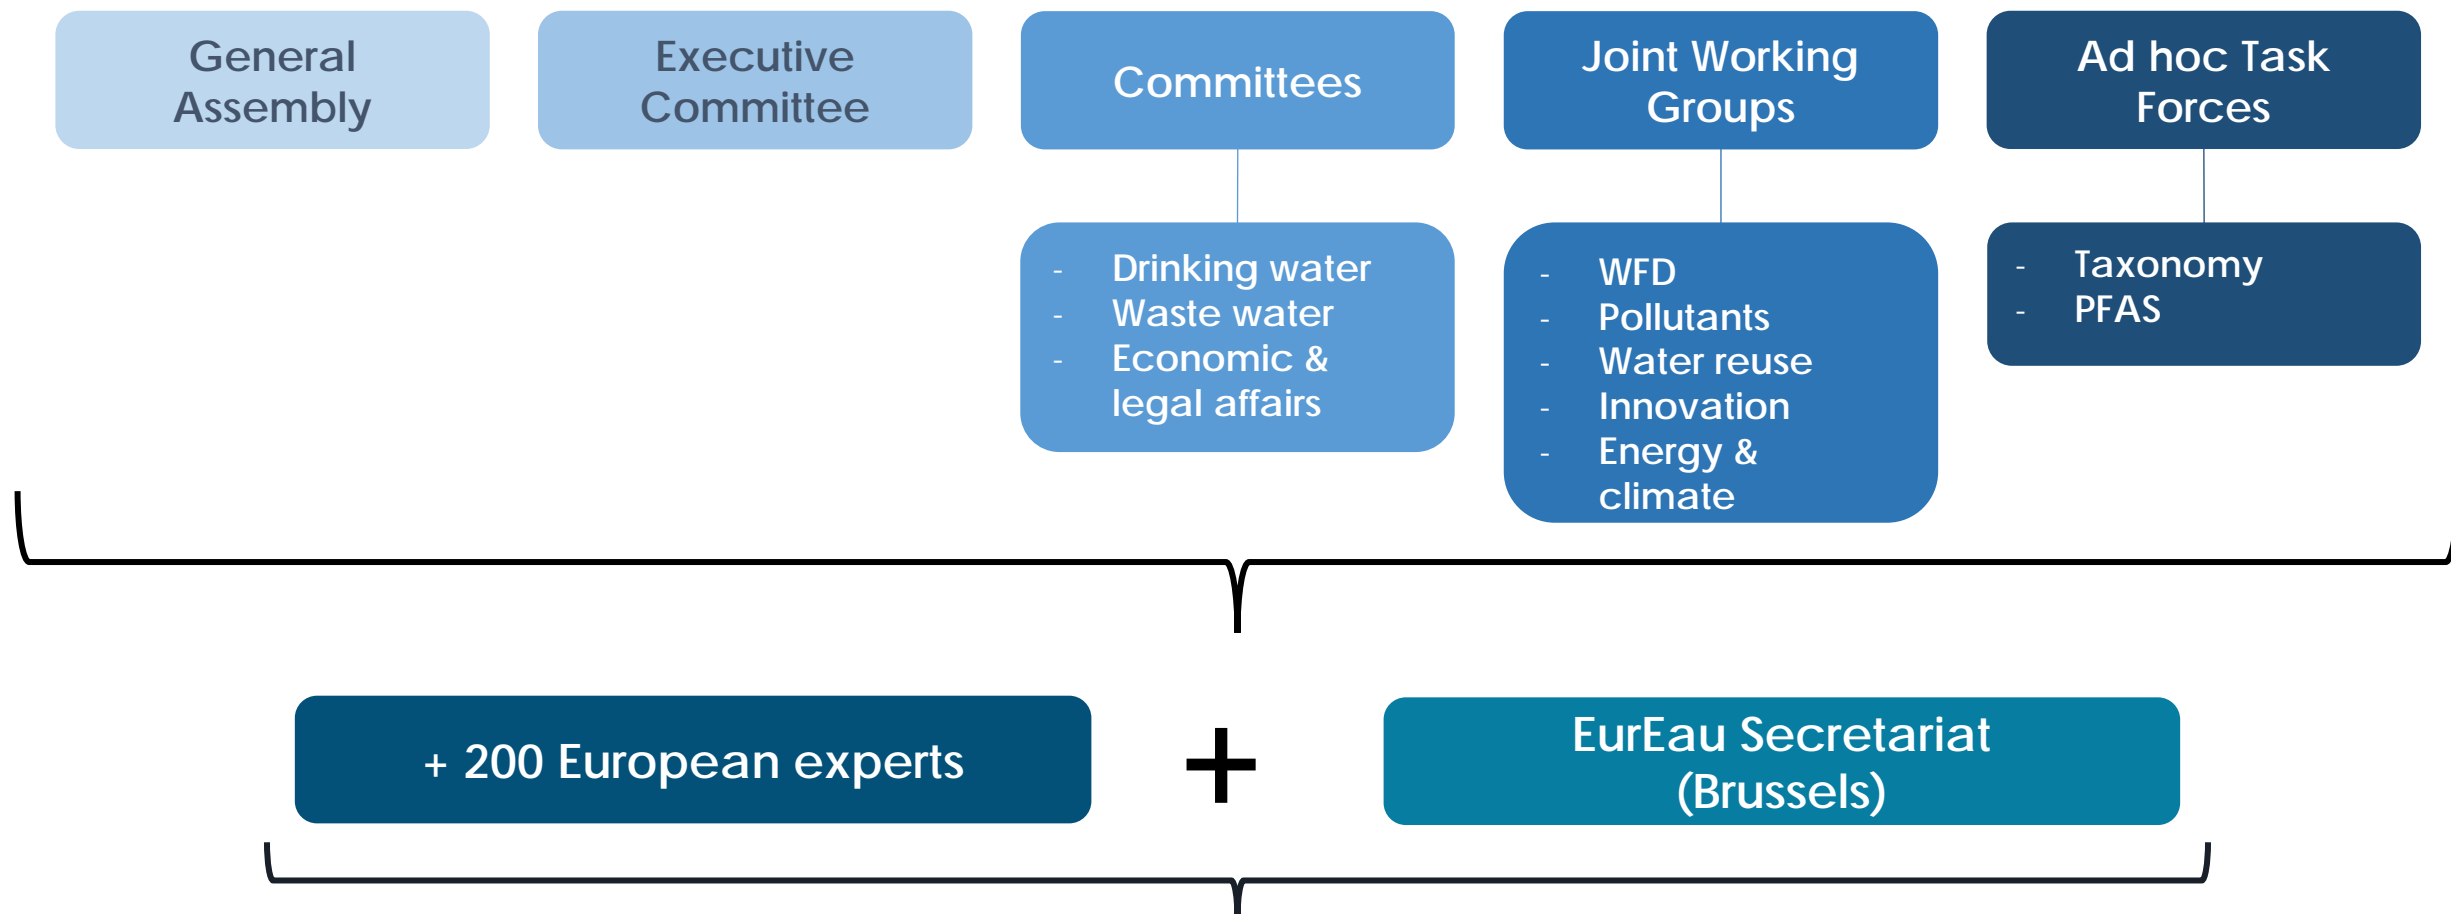

Festival
dell'
acqua 2024

38 national associations of **drinking and wastewater operators** (public and private sector)
33 European countries

The power of collaboration

MULTI-LEVEL ADVOCACY

Take away messages

If you want to influence the EU legislation/policy you have to be part of the process

EU policy making is an open process – need proactive approach

Completely different legislative framework – need expertise

COLLABORATION

EurEau

Glossary

BWD: Bathing Water Directive	IED: Industrial Emissions Directive	RED: Renewable Energy Directive
CC Adapt Str: Climate Change Adaptation Strategy	Microplastics L: microplastics legislation	RoHS D: Restriction of Hazardous Substances Directive
